## Similan Islands

Similan is a Yawi word which means "nine", Similan islands consist of nine islands in the landscape, from north to south. The main islands that are tourist attractions are Koh Miang (Island No.4) Koh Payu (Island No.7), Koh Similan (Island No.8), and Koh Ba Ngu (Island No.9) These islands are famous for beautiful white sandy beach and the water is crystal clear that you can see fishes under the see water with your naked eyes. You will surely say "Wow" when you see the breathtaking underwater world there. And that's why Similan is rated one of the ten most beautiful islands in the world.
